

FREE FLU  
VACCINE

# Be a Hero to Someone

**Help protect your loved ones and keep our communities safe.**

Getting a flu vaccination is your best defense against the flu virus. It's a simple way to help you stay healthy and be an everyday hero to your family, your friends and those who are most vulnerable.

## Free flu vaccination

**ZOLL Medical** is offering free flu vaccinations. Schedule an appointment to receive yours from a professional at an onsite clinic.

## Know your foe

The flu virus is constantly changing, so it's important to get vaccinated yearly. The flu can also be serious. While most people only feel uncomfortable symptoms like a high fever, sore throat and body aches, the flu can lead to hospitalization or death in some people.

**Schedule your flu vaccination today.**  
**Advanced registration is recommended.**

*\*You should not receive a flu vaccination if you have a severe allergy to the vaccine or any ingredient in the vaccine. Children under 6 months of age should also not receive the flu vaccination. Talk to your doctor before getting the flu vaccination if you have an allergy to eggs or if you have ever had Guillain-Barré Syndrome to see if the vaccine is right for you.*
