

## Special support to navigate autism

**Autism spectrum disorder (ASD) is a developmental disability that can cause significant social, communication and behavioral challenges.** Some people with ASD need a lot of help in their daily lives; others need less.

In order to make sure your child reaches his or her full potential, it is very important to get help for ASD as soon as possible. **Health Advocate can help parents and caregivers with many ASD-related services.**

**Find** the right doctors and specialists and schedule appointments

**Research** in-home care, school, and community-based services and medical assistance programs

**Locate resources** for physical, occupational and speech therapy

**Research** Applied Behavioral Analysis (ABA) providers

**Identify** leading treatment centers

**Answer questions** about your insurance coverage, test results, treatments and medications

**Find** caregiver and family support groups

**866.695.8622**
