

## Find a dentist in the network

With the largest network of dentists nationwide, you're certain to find a Delta Dental dentist near you. In Massachusetts alone, more than 85% of dentist participate in a Delta Dental network.

It's easy to find a dentist using our online Find a Dentist tool:

Results will be generated based on:  
Specialty, Network, Distance

Refine search options by:  
Dentist last name, Office name, Extended hours,  
Accepts new patients, Language, Gender

Additional information available: public transit access, handicapped accessibility, and treats disabled adults/children.

Select Add to My List to download, print or email preferred providers and review later.

### Understanding Delta Dental networks

**Delta Dental PPO™**- Members have access to a network of dentists who accept reduced fees for covered services, providing the lowest out-of-pocket costs available. Average discounts for members: 30 - 45%.

**Delta Dental Premier®**- Members have access to the largest network of dentists nationwide. Average discounts for members: 10 - 25%.

**Delta Dental PPO Plus Premier™**- Combines the PPO and Premier networks giving members access to the largest dental network in the country with the lowest out-of-pocket savings.
