### Transform your health

Biometric screening results provide powerful insights into your health risks that you may not currently recognize. Complete your biometric screening to know your numbers and connect to quality care to help manage health risks and prevent chronic disease.

## PHYSICIAN FORM DOWNLOAD AND UPLOAD:

1. Select "Order Form" on the main landing page. To be directed to the Physician Form location. Click on "Download Form" to download and print a copy of your unique physician form. Each participant must download their own form from their own wellness account as forms are pre-populated with participant information.

The screenshot shows a web interface for a wellness screening. The main heading is "Wellness Screening: Scheduled" in green. Below it is "Physician Results Form". A message states: "You have downloaded your form. You can fax it in or upload it to the right. You can also [download your form here](#)." To the right of this message are two green buttons: "Upload Form" and "Cancel". Below the buttons is a link: "Need More information?".

Below this section is another heading: "Why You Should Participate". The text reads: "WebMD has partnered with Quest Diagnostics to provide you with convenient biometric and blood screening options. Completing a screening gives you the knowledge you need to identify your health risks and transform your health. Schedule your screening today!". To the right of this text are the logos for "ZOLL" and a colorful circular icon.

At the bottom of the screenshot is the heading "Transform your health" in green. Below it is a small line of text: "Biometric screening results provide powerful insights into your health risks that you may not currently recognize. Complete your biometric screening to know your numbers and connect to quality care to help manage health risks and prevent chronic disease."

2. Carefully review all instructions on the cover letter that is included with the Physician Form. Bring the printed Physician Form to your appointment, if possible.  
NOTE: Screening data MUST be from a screening completed within the current program year to be accepted and for screening credit to be awarded.
3. Return the completed form to Quest following the instructions within the cover letter. You have two options for returning the completed form:
  - a. The physician can FAX the completed form to Quest using the fax number provided at the bottom of the Physician Form.  
OR
  - b. You can upload your completed form to Quest via the Quest Wellness Engine.

### To upload your completed Physician Form:

- Return to the Quest Wellness Engine by clicking “Get Started” on the Biometric Screening card located in your wellness account.
- Click on “Upload Form” to upload a scanned copy or image of your completed form.
- Next, enter ALL results exactly as they appear on your completed form into the “Input Your Results” page. Click “Upload” and wait for further communication from Quest regarding the receipt, approval, or denial of your Physician Form. Communication will be sent to you via the email address provided in your wellness account. Upon successful completion of a Physician Form upload, you can expect your screening results to automatically load into your wellness account within 10 business days.
